

Vacancy

CLPe Solutions Limited
Contracting Business Department
Infrastructure Branch
Information & Communications Systems Section
Safety Officer (2-Year Contract)
[Ref. CLPeS-CB-I-I&CS-SO]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and innovative safety professional to join our Contracting Business Department. Reporting to Project Managers, the appointees will be responsible for the following duties:

- Provide safety and quality services to the management, employees and contractors
- Monitor site safety & quality performance, and assist the project team and sub-contractors to make prompt rectifications & improvement plans for management review
- Implement Health, Safety, Security, Environment & Quality (HSSEQ) programme according to the business needs and ensure its full compliance with the latest legislations and the company's HSSEQ requirements
- Provide professional advices to the management for decision making regarding safety issues
- Attend urgent site meetings / conduct site inspection or visits and handle safety issues at the work sites outside normal working hours if required
- Other ad-hoc duties as assigned

Requirements:

- A recognized university degree in safety or relevant engineering disciplines or equivalent
- At least 3 years' relevant working experience, preferably in E&M related projects
- Registered as a Safety Officer under Labour Department
- A recognized training in industrial safety or occupational hygiene would be an added advantage
- Good knowledge in local safety & health regulations and HSEQ management systems
- Familiar with safety requirements of E&M infrastructure projects and working environment together with knowledge in ISO 9001 would be an added advantage
- Possession of a Construction Industry Safety Training Certificate
- Self-motivated, strong interpersonal skill and able to work independently
- Candidate with less experience / qualification will be considered as safety supervisor

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **30 June 2022**

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
