CLPe Solutions Limited
Contracting Business Department
Power Engineering Branch
E&M Maintenance Services Section
Technical Officer II (2-Year Contract)
[Ref. CLPeS-CB-PE-EMMS-TOII]

Founded in 1901 as China Light and Power Company Limited in Hong Kong, CLP Group has grown from a Hong Kong-based power utility into a leading investor and operator in the Asia Pacific Region's electricity market. Its portfolio comprises over 60 generation assets of gas, coal, nuclear and renewable energy, distribution and transmission assets and retail operations. The CLP Group is owned by CLP Holdings, a company listed on the Stock Exchange of Hong Kong.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and innovative technical professional to join our Contracting Business Department. The appointee will be assigned to work at CLPP power stations located in Tuen Mun and Penny's Bay and be responsible for the following duties:

- Carry out corrective and preventive maintenance for general electrical and mechanical works in CLPP power stations
- Ensure that system reliability, system availability and achieve service standards
- Prepare and update maintenance records and other necessary documents
- Collect fault statistics and relevant supporting data for analysis
- Assist Project Manager and Engineers in performing site work
- Lead and supervise frontline workers and contractors to carry out installation and maintenance works safely
- Conduct site checks and audits to ensure that the safety standards and good housekeeping practices are always maintained
- Shift duty is required, night work and work in holidays when necessary
- Other ad-hoc duties as assigned

Requirements:

- Higher Diploma / Higher Certificate holder in Engineering plus at least 3 years' relevant experience OR Ordinary Diploma / Ordinary Certificate holder in Engineering plus at least 4 years' relevant experience
- Possession of Construction Industry Safety Training Certification (Green Card) and Confined Space Registered Worker and Construction Workers Registration Card

- Proven supervisory, interpersonal, influencing and communication skills and able to communicate in written and spoken English and Chinese
- Good interpersonal skills and able to communicate technical concepts to other parties
- Solid working experience in plant maintenance will be an added advantage
- Possession of Competent Person of CLPP Power Station will be an added advantage
- Possession of a valid driving license (1 or 2) / REW license will be an added advantage
- Candidates with less experience will be considered for lower position

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including career history, major achievements and personal attributes on or before **8 May 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
