

Vacancy

CLPe Solutions Limited
Contracting Business Department
Power Engineering Branch
E&M Maintenance Services Section
Assistant Technical Officer II (2-year contract)
[Ref. CLPeS-CB-PE-EMMS-ATOII]

Founded in 1901 as China Light and Power Company Limited in Hong Kong, CLP Group has grown from a Hong Kong-based power utility into a leading investor and operator in the Asia Pacific Region's electricity market. Its portfolio comprises over 60 generation assets of gas, coal, nuclear and renewable energy, distribution and transmission assets and retail operations. The CLP Group is owned by CLP Holdings, a company listed on the Stock Exchange of Hong Kong.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and dedicated candidate to join the Contracting Business Department of CLPe Solutions Limited. Reporting to the Assistant Project Manager, the appointee will be assigned to work at CLPP power stations located in Tuen Mun and be responsible for the following duties:

- Carry out corrective and preventive maintenance for general electrical and mechanical works in CLPP power stations
- Ensure that system reliability, system availability and service standards are met
- Prepare and update maintenance records and other necessary documents
- Collect fault statistics and relevant supporting data for analysis
- Lead and supervise frontline workers and contractors to carry out installation and maintenance works
- Ensure that safety standards and good housekeeping practices are maintained at all times
- Other ad-hoc duties as assigned
- Shift duty (night work/ work in Public Holiday) is required

Requirements:

- Higher Diploma / Higher Certificate in Electrical, Mechanical or relevant engineering disciplines plus 2 years' relevant experience in plant maintenance OR Ordinary Diploma / Ordinary Certificate in Electrical, Mechanical or relevant engineering disciplines plus 3 years' relevant working experience
- Able to work with minimum supervision and communicate technical concepts with other parties
- Good interpersonal, communication skills and a team player
- Possession of Construction Industry Safety Card, Construction Works Registration Card and Confined Space Certificated Worker Card
- Possession of CLPP Power Station authorized competent will be an added advantage
- Possession of a valid driving license (1 or 2) / REW license is preferable
- Candidates with less experience will be considered for a lower position

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **10 July 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
