

Vacancy

CLPe Solutions Limited
Contracting Business Department
Facilities Management Branch
Assistant Project Manager (2-Year Contract)
[Ref. CLPeS-CB-FM-APM]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and innovative engineering professional to join our Contracting Business Department. The appointee will be assigned to work in the Hong Kong International Airport in Chek Lap Kok and responsible for the following major duties:

- Responsible for effective project management of E&M contracts and system enhancement projects in airport area
- Liaise with clients, suppliers and contractors on the tendering, contracts administration, variations vetting and payments, as well as claims and disputes negotiation and resolution
- Coordinate with clients to plan, schedule, and set up proper procedures and precautions to meet the Company's requirements and Corporate Health, Safety, Security, Environment & Quality (HSSEQ) Documents standards
- Prepare and review specifications for tendering, evaluating and selecting service contractors that meet technical specifications and engineering standards to achieve construction and operational targets
- Coordinate site activities as well as supervise subordinates/subcontractors' work performances
- Provide training and development for subordinates and support company's trainee programs
- Perform other ad-hoc and shift duties as assigned

- Work location is Hong Kong International Airport and Third-runway System project site area

Requirements:

- A recognized University degree in Electrical, Mechanical, Electronic, Building Services Engineering or relevant engineering disciplines
- A minimum of 5 years' working experience in system design, operation, installation, testing, commissioning and project management of E&M installation, alterations and additions works
- Sound knowledge of contractor management, interfacing with other parties and managing site activities in multi-discipline projects
- Experience in utility organization and familiar with system operation procedures, work procedures and work permit system would be an added advantage
- Strong business acumen, customer-oriented and performance driven
- Good interpersonal, communication and leadership skills
- Possession of a valid driving license (class 1 and 2)
- Possession of Construction Industry Safety Card
- Candidates with less experience will be considered for a lower position

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualifications, career history, major achievements and personal attributes on or before **29 August 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
