

# Vacancy

**CLPe Solutions Limited**  
**Contracting Business Department**  
**Facilities Management Branch**  
**Safety Officer (2-Year Contract)**  
**[Ref. CLPeS-CB-FM-SO]**

*CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.*

*CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.*

*CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.*

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and innovative engineering professional to join our Contracting Business Department. The appointee will be assigned to work in the Hong Kong International Airport in Chek Lap Kok and responsible for the following major duties:

- Lead a safety team to provide safety and quality services to management, employees and contractors of airport projects
- Monitor site safety & quality performance, and assist the contractors to make prompt rectifications & improvement plans for management review
- Implement Safety, Health, Environment and Quality (SHEQ) programme according to the business needs and ensure its full compliance with the latest legislations and the company's SHEQ requirements
- Provide professional advices to the management for decision making regarding safety issues
- Attend urgent site meetings, deliver safety training or inspection outside normal working hours and handle safety issues of the project works if required
- Regular meeting to report and share the SHEQ information
- Shift duty and typhoon duty (when necessary) to deliver safety briefing and carry out site inspection is required

- Other ad-hoc duties as assigned

### Requirements:

- A recognized university degree in safety or relevant engineering disciplines or equivalent plus a minimum of 3 years' safety related working experience, preferably in plant industry or E&M related projects
- Registered as a Safety Officer under Labour Department
- Registered as a Safety Auditor under Labour Department would be an advantage
- Good knowledge in local safety & health regulations and HSSEQ management systems
- A recognized training in industrial safety would be an added advantage
- Working experience in airport projects and familiar with relevant safety requirements would be an added advantage
- Familiar with CLPP Power (CLPP) or Airport Authority requirements and working environment together with knowledge in ISO 9001 would be an added advantage
- Possession of a Construction Industry Safety Training Certificate
- Possession of a valid driving license (1 or 2)
- Self-motivated, strong interpersonal skill and able to work independently
- Candidate with less experience / lower qualification will be considered as Safety Supervisor

Please apply by sending email to [clpehr@clp.com.hk](mailto:clpehr@clp.com.hk) giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **27 September 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <https://clp.to/engPICS>
