

Vacancy

CLPe Solutions Limited
Contracting Business Department
Facilities Management Branch
Project Engineer (2-Year Contract)
[Ref. CLPeS-CB-FM-PE]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and innovative engineering professional to join our Contracting Business Department. The appointee will be assigned to work in the Hong Kong International Airport in Chek Lap Kok and responsible for the following major duties:

- Responsible for effective project management of maintenance contracts and projects at airport
- Assist in preparing specifications for tendering, evaluating and selecting service contractors that meet technical specifications and engineering standards to achieve construction and operational targets
- Coordinate with clients or related parties to plan, schedule and set up proper procedures and precautions to meet the Company's requirements and Safety, Health, Environment and Quality (SHEQ) standards
- Prepare the site progress report and testing and commissioning report
- Assist in monitoring subcontractors' work performances and site safety
- Other ad-hoc duties and shift duty as assigned

Requirements:

- A recognized university degree in Electrical, Mechanical, Building Services, Electronic Engineering or related disciplines plus a minimum of 1 year's relevant working experience
- Experience in electrical / mechanical site installations, subcontract coordination and work arrangement is desirable
- Possession of Construction Worker Registration Card and Construction Industry Safety Card
- Customer-oriented, self-motivated, a good team player, able to work independently and meet tight deadlines
- Good interpersonal and communication skills
- Candidate with a valid driving license (1 or 2) is preferable

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **25 October 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
