

Vacancy

CLPe Solutions Limited
Contracting Business Department
Power Engineering Branch
Distribution Cable Section
Assistant Project Manager (2-Year Contract)
[Ref. CLPeS-CB-PE-DC-APM]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and dedicated candidate to join the Contracting Business Department of CLPe Solutions Limited. The appointee will be assigned to work in the Power Engineering Branch and responsible for the following duties:

- Ensure effective project management of Distribution Cable trenching site activities including the supervision of subcontractors, material and resources planning and utilization
- Coordinate with clients, government officials and developers to plan, schedule, and set up proper procedures and precautions to meet the Company's requirements and Safety, Health, Environment and Quality (SHEQ) standards
- Coordinate with clients, suppliers and contractors in preparing excavation permit applications, site measurement sheets and quotations
- Coordinate with suppliers / contractors on the equipment and resources planning, claims & disputes negotiation and resolution
- Supervise contractors to perform and complete cable trench excavation works in accordance with the project schedule. Devise and implement systems to manage the performance of contractors

- Prepare handover reports to clients
- Assist in developing junior engineers' job competencies
- Other ad-hoc duties as assigned

Requirements:

- A recognized university degree in relevant engineering disciplines plus at least 5 years' relevant working experience
- Sound knowledge on XPMS permit application, project management and site supervision on distribution cable trenching work
- Sound knowledge of CLP SHEQ requirement, Highways standards, Road Opening Regulations and Traffic Impact Knowledge is preferable
- Strong supervisory, communication, commercial and leadership skills
- Customer oriented, self-motivated, a good team player and able to work independently and under pressure
- Candidate with a valid driving license (1 or 2) is preferable
- Candidates with less experience will be considered for a lower position

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **7 November 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
