

# Vacancy

**CLPe Solutions Limited**  
**Contracting Business Department**  
**Power Engineering Branch**  
**Distribution Cable Section**  
**Assistant Technical Officer I – Draughting (2-Year Contract)**  
**[Ref. CLPeS-CB-PE-DC-ATOI-D]**

*CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.*

*CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.*

*CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.*

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and dedicated candidate to join the Contracting Business Department of CLPe Solutions Limited. The appointee will be assigned to work in the Power Engineering Branch and responsible for the following duties:

- Update AM/FM records to reflect changes in cable route, size and joint based on relevant engineering standards, regulations and CLP's requirements
- Prepare the cable route printout for frontline workers as daily work reference
- Implement and monitor the Safety, Health, Environment and Quality (SHEQ) system to ensure that all standards and requirements are fulfilled
- Carry out any other duties as assigned by supervisor

## Requirements:

- Higher Diploma / Higher Certificate in Electrical, Mechanical or relevant engineering disciplines plus 2 years' relevant experience in plant maintenance OR Ordinary Diploma / Ordinary Certificate in Electrical, Mechanical or relevant engineering disciplines plus 4 years' relevant working experience
- High quality of draughtsmanship and proficiency in AutoCAD
- Sound knowledge in Micro-station applications is preferable
- Knowledge of CLP AM/FM system would be an advantage
- Familiar with relevant electrical engineering standards, regulations and drawing techniques
- Self-motivated, a good team player, able to work independently and meet tight deadlines
- Candidates with less experience will be considered for a lower position

Please apply by sending email to [clpehr@clp.com.hk](mailto:clpehr@clp.com.hk) giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **7 November 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
