

Vacancy

CLPe Solutions Limited

Distributed Energy Department

Solar PV Branch

Assistant Technical Officer II (2-Year Contract)

[Ref. CLPeS-DE-SolarPV-ATOII]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for energetic and innovative technical professionals to join the Distributed Energy Department. Reporting to Project Manager, the appointee will be assigned to work in different teams and responsible for the following duties:

- Carry out site visit, wiring, installation, inspection, testing & commissioning and maintenance of solar photovoltaic system and the associated electrical equipment
- Assist Project Manager and engineers on the pre-work site visit, work schedule planning and material acquisition
- Implement safety preventive measures to ensure that the safety standards and good housekeeping practices are maintained at work sites
- Assist in supervising tradesmen and contractors to carry out site work and coordinate site activities with other parties
- Perform shift duty subject to operational needs
- Perform other ad-hoc duties as assigned

Requirements

- Higher Diploma / Higher Certificate in Electrical, Mechanical, Building Services, Electronics, Computer Systems or relevant disciplines plus 2 years' relevant experience OR Ordinary Diploma / Ordinary Certificate in Electrical, Mechanical, Building Services, Electronics, Computer Systems or relevant disciplines plus 3 years' relevant working experience
- Possession of Construction Industry Safety Training Certification (Green Card)
- Ability to work independently and communicate technical concepts
- Good interpersonal, communication skills and being a good team player
- Solid experience in Application Programming Interface / Web services development and Software development is preferable
- Candidate with relevant working experience in software development is preferable
- Possession of a valid driving license (1 or 2) is preferable
- Possession of Registered Electrical Worker with grade A or above is preferable

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **1 December 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <https://clp.to/engPICS>
