

# Vacancy

**CLPe Solutions Limited**  
**Contracting Business Department**  
**Infrastructure Branch**  
**Senior Project Manager**  
**[Ref. CLPeS-CB-I-SPM]**

*CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.*

*CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.*

*CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.*

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure, and facilities management.

We are looking for a high caliber professional to join our Contracting Business Department as Senior Project Manager. Key responsibilities include:

- Lead a multi-discipline team to ensure effective project management of E&M, information and communication projects comprising design, project program monitoring, cost control, supervision of subcontractors' performance, interfacing with relevant parties, materials and resources planning
- Lead a dedicated team to develop business opportunities for E&M, TCSS and communication projects including customer outreach, prepare budgetary proposals, tender bidding, materials sourcing and subcontracting
- Co-ordinate with clients to plan, schedule, and set up proper procedures to meet the technical requirements and deliver the works on schedule
- Prepare and forecast budget and control costs to achieve targets
- Develop and implement project proposals to enhance the contract performance with continuous improvement
- Implement and monitor the Safety, Health, Environment and Quality (SHEQ) system to achieve the required standards of contract specification and regulatory requirements
- Lead, motivate, coach and provide mentoring to subordinates to maintain expertise and maximize efficiency so as to provide excellent technical services to the clients

## Requirements:

- A recognized university degree in Engineering or relevant disciplines
- A minimum of 10 years' relevant working experience with at least 5 years at managerial level
- Corporate Member of HKIE or equivalent qualification from other recognized professional bodies preferred
- Sound knowledge of contractor management, interfacing with civil and E&M contractors as well as managing site activities in multi-discipline infrastructure projects
- Customer-oriented, self-motivated, responsible with strong commitment and ability to perform under pressure
- Strong leadership, supervisory and communication skills are essential
- Proficient in both written and spoken English and Chinese
- Candidate with a valid driving license (1 or 2) is preferable
- Candidates with less experience will be considered for lower position

Please apply by sending email to [clpehr@clp.com.hk](mailto:clpehr@clp.com.hk) giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **26 November 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <https://clp.to/engPICS>
