

Vacancy

CLPe Solutions Limited
Contracting Business Department
Power Engineering Branch
E&M Maintenance Services
Technical Officer II (2-Year Contract)
[Ref. CLPeS-CB-PE-EMMS-TOII]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for two energetic and innovative technical professionals to join our Contracting Business Department. The appointee will be assigned to work at CLPP power stations located in Tuen Mun and Penny's Bay and be responsible for the following duties:

- Carry out corrective and preventive maintenance for general Electrical and Mechanical works in CLPP power stations
- Ensure that system reliability, system availability and achieve service standards
- Prepare and update maintenance records and other necessary documents
- Collect fault statistics and relevant supporting data for analysis
- Assist Project Manager and Engineers in performing site work
- Lead and supervise frontline workers and contractors to carry out installation and maintenance works safely
- Conduct site checks and audits to ensure that the safety standards and good housekeeping practices are always maintained

- Perform any other duties including shift duty, ad-hoc duty, night work and work in holidays as assigned by supervisor when required

Requirements:

- Higher Diploma / Higher Certificate in Electrical / Mechanical Engineering or equivalent plus at least 3 years' relevant experience OR Ordinary Diploma / Ordinary Certificate in Electrical / Mechanical Engineering or equivalent plus at least 4 years' relevant experience
- Possession of Construction Industry Safety Training Certification (Green Card), Confined Space Registered Worker and Construction Workers Registration Card
- Proven supervisory, interpersonal, influencing and communication skills and able to communicate in written and spoken English and Chinese
- Good interpersonal skills and able to communicate technical concepts to other parties
- Solid working experience in plant equipment maintenance will be an added advantage
- Possession of Competent Person of CLPP Power Station will be an added advantage
- Possession of a valid driving license (1 or 2) / REW license will be an added advantage
- Candidates with less experience will be considered for a lower position

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **22 December 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
