

Vacancy

CLPe Solutions Limited
Contracting Business Department
Infrastructure Branch
E&M Projects - Infrastructure Section
Technical Officer I (2-Year Contract)
[Ref. CLPeS- CB-I-E&M-TOI]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and innovative technical professional to join our Contracting Business Department. Key responsibilities include:

- Carry out site installation, testing & commissioning works for HV / LV electrical installations, ELV installations and general building services installations
- Prepare and update test & maintenance records and other related documents in a timely manner
- Collect fault statistics and relevant supporting data for analysis
- Lead and supervise frontline workers and contractors to carry out installation, testing & commissioning works
- Coordinate with clients to plan, schedule, and set up proper procedures and precautions to meet the Company's requirements and Corporate Health, safety, Security, Environment & Quality (HSSEQ) documents standards
- Other ad-hoc duties and shift duty as assigned

Requirements:

- Higher Diploma / Higher Certificate in Electrical, Mechanical, Building Services, Electronics or relevant engineering disciplines plus 4 years' relevant experience OR Ordinary Diploma / Ordinary Certificate in Electrical, Mechanical, Building Services, Electronics or relevant engineering discipline plus 6 years' relevant working experience
- Able to read engineering drawings, work independently and communicate technical concepts to other parties
- Good interpersonal, communication and supervisory skills
- Possession of Construction Industry Safety Card and Construction Workers Registration Card
- Solid experience in tunnel and highway construction works will be an added advantage
- Possession of a valid driving license (1 or 2) or REW license is preferable
- Candidates with less experience will be considered for a lower position

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **20 January 2022**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications.
