

Vacancy

CLPe Solutions Limited
Contracting Business Department
Facilities Management Branch
Safety Supervisor (2-Year Contract)
[Ref. CLPeS-CB-FM-SS]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLPe Solutions Limited (formerly CLP Engineering Limited), incorporated in Hong Kong in 1985, is a wholly-owned subsidiary of CLP Holdings Limited with extensive experience in providing total energy solution. The company undertakes a variety of services including energy management solutions, distributed energy as well as power engineering, infrastructure and facilities management.

We are looking for an energetic and innovative engineering professional to join our Contracting Business Department. The appointee will be assigned to work in the Hong Kong International Airport in Chek Lap Kok and responsible for the following major duties:

- Provide safety and quality services to management, employees and contractors
- Monitor site safety & quality performance, and assist the contractors to make prompt rectifications & improvement plans for management review
- Implement Safety, Health, Environment and Quality (SHEQ) programme according to the business needs and fully comply with the latest legislations and the company's SHEQ requirements.
- Give professional advices to the management for decision making regarding safety issues.
- Attend urgent site meetings outside normal working hours to handle safety issues of the project works if required
- Night duty to deliver safety briefing and carry out site inspection is required

Requirements:

- Higher Diploma / Higher Certificate in the field of Engineering or Safety disciplines or equivalent plus at least 2 years' safety related working experience OR Ordinary Diploma / Ordinary Certificate in relevant disciplines or equivalent plus at least 4 years' safety related working experience
- Holder of a valid Safety Supervisor Certificate
- A recognized training in industrial safety or occupational hygiene would be an added advantage
- Familiar with the safety requirements of CLP Power (CLPP) and Airport Authority is preferred
- Working experience in CLPP projects would be an added advantage
- Possession of a Construction Industry Safety Card
- Possession of a valid Driving License
- Candidate with less experience will be considered for a lower position

Please apply by sending email to clpehr@clp.com.hk giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes on or before **6 February 2022**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <https://clp.to/engPICS>
