**CLP Power Hong Kong Limited**

**Customer Success & Experience Business Group**

**eMobility Department**

**Senior Manager - Programme Management (Permanent/2-Year Contract)**

**[Ref: CLPP\_CSE\_eM\_PM\_MPM]**

*CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically integrated electricity supply business providing a highly reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.*

*CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.*

*CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.*

Our vision is to be the leading responsible energy provider in the Asia-Pacific region, from one generation to the next. In a changing world, our mission is to produce and supply energy with minimal environmental impact to create value for shareholders, customers, employees, and the wider community.

As such, our aspiration is to accelerate the electrification of transportation in Hong Kong to deliver its citizens a better quality of life and support climate action commitments. In response to this ambition, a new eMobility has recently been formed to drive the transport electrification strategic growth area forward.

We are looking for a dynamic, organized, analytical and competent professional to join our eMobility team in CLP Power as Senior Manager - Programme Management for the eMobility team.

## **Major Duties:**

CLP Power is working towards supporting Hong Kong in achieving their net zero targets. A key segment to address is the transport and vehicle sector which is undergoing a transition to electric. This role will work directly with the Director – eMobility on ensuring our various activities are on track and moving forward in line with our overall strategy.

The jobholder will be responsible for working with different team leaders to manage and support progress on various eMobility initiatives. The Senior Manager – Programme Management will have oversight of all activities to ensure the interfaces across work streams are well managed.

- Programme management of different work streams within the eMobility team's scope. This includes, but is not limited to, alignment of pilot projects, tracking deliverables, and interdependencies between customer-strategy-networks
- Create management reports for the programme of work for team use as well as senior management information

- Work in a matrixed manner with different team members as well as the wider organisation to manage, influence direction and ensure the teams objectives are being met
- Establish a framework of management and reporting

**Requirements:**

- A recognized university degree or equivalent experience and a minimum of 10 years' experience in the managing programs or projects
- Practical experience in working across teams with different skills to ensure coherence and overall direction is appropriate
- Strong organization, communication, influencing and expectation management skills
- Ability to manage both internal and external stakeholders
- Ability to think strategically as well as work pragmatically
- Self-motivated and capable of working without constant supervision
- Ability to work as part of a diverse team leveraging different skills and backgrounds
- Have a background in an energy, consulting, mobility, or the technology industry experience would be an advantage
- Candidate with less experience may be considered as Manager - Programme Management
