

Vacancy

**CLP Power Hong Kong Limited
Information Technology Group /
IT Business Enablement /
Platforms and Corporate Services
Digital Workplace Manager
[Ref. CLPP-ITG-ITBEPCS-DWM]**

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLP has embarked on a journey to becoming a "Utility of the Future" which is customer-centric, agile and digitally-enabled. The company is launching strategic transformation initiatives across the business in which next generation technologies will play a pivotal role.

We are looking for a passionate IT professional to join the IT Business Enablement within the Information Technology Group of CLP Power Hong Kong Limited. The successful applicant will be responsible for the following duties:
