

Vacancy

**CLP Power Hong Kong Limited
Information Technology Group /
Cloud Program and Infrastructure Transformation
Senior Cloud Architect
[Ref. CLPP-ITG-CPIT-SCA]**

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

CLP has embarked on a journey to becoming a "Utility of the Future" which is customer-centric, agile and digitally-enabled. The company is launching strategic transformation initiatives across the business in which next generation technologies will play a pivotal role.

We are looking for a passionate IT professional to join the Cloud Program and Infrastructure Transformation within the Information Technology Group of CLP Power Hong Kong Limited. Reporting to the Deputy Director - Cloud Program and Infrastructure Transformation, the successful applicant will be responsible for the following duties:

Key Responsibilities:

- Ensure strategic alignment for cloud initiatives across CLP Group and regions – propel CLP Group's cloud transformation agenda
- Provide architectural design and guidance for cloud adoption in line with emerging and leading practices including adoption of multi-cloud – provide subject matter expertise on cloud architecture including cross-border adoptions
- Provide oversight of architectural standards and compliance for cloud projects, adopt cloud native technology from various cloud service providers according to CLP Group local needs and priorities
- Determine cloud adoption options including risks and benefits for business use cases – work closely with IT Business Partnering to understand the use cases and explore the optimal options to maximise benefits to the business

- Work close with Enterprise Architect and IT Business Enablement to establish overall technology and architecture framework and governance authority. Provide expertise support to customer experience transformation, data analytic and digital workplace on architectural matters and cloud adoption on-boarding roadmap.

Requirements:

- Bachelor's degree in Information Technology, Computer Science, or related disciplines. Master's degree in a related field is desirable.
- At least 15 years of experience with Cloud Computing, Technologies and Architecture
- At least 10 years of experience in large-scale cloud application development plus experience in leading a team providing cloud and integration service
- Extensive experience in cloud computing on regional scale, such as vendor assessment, product sourcing, cost and risk management, cyber security, etc.
- Professional credentials in TOGAF, ITIL, PMP, COBIT, ScrumMaster, DevOps, or relevant disciplines preferred
- Proven track record of problem solving and analytical abilities and able to use own initiative
- Excellent communication and presentation skills to senior executive level; in addition to leadership and negotiation skills to different kinds of stakeholders
- Good at facilitation, project management, change management and relationship management
- Demonstrable commitment to continuous learning
- Proactive, performance driven and results oriented

Please apply by sending email to chr@clp.com.hk giving a detailed C.V. including current and expected salary, career history, major achievements and personal attributes on or before **26 November 2021**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <https://clp.to/engPICS>
