

Vacancy

CLP Power Hong Kong Limited
Power Systems Business Group
Technical Services Department / Telecommunications Branch
Technical Officer II (2-Year Contract)
[Ref: CLPP-PSBG-TSD-TCB-OT-TOII]

Founded in 1901 as China Light and Power Company Limited in Hong Kong, CLP Group has grown from a Hong Kong-based power utility into a leading investor and operator in the Asia Pacific Region's electricity market. Its portfolio comprises over 60 generation assets of gas, coal, nuclear and renewable energy, distribution and transmission assets and retail operations. The CLP Group is owned by CLP Holdings, a company listed on the Stock Exchange of Hong Kong.

We are looking for a high caliber technical professional to join our Telecommunications Branch of Technical Services Department in Power Systems Business Group and provide support to engineers in performing daily and routine operation and maintenance (O&M) of the Operational Technology (OT) systems.

Major duties would include:

- Implement Maintenance and Management plan for the Operational Technology (OT) systems including but not limited to condition monitoring systems for high voltage switchgears/transformers/cables, metering systems, industrial automation systems, sensors, etc.
- Implement and deploy software / firmware / patches timely to mitigate security risks
- Handle and resolve exceptions triggered from OT systems
- Maintain operation performance to ensure compliance with established service standards
- Analyze data and initiate projects to improve operation efficiency
- Develop and produce procedures, guidelines and training materials to support operations
- Assist in reviewing and preparing engineering / system documents including system design, work schedule, installation plan, test and commissioning plan, wiring record, as-built drawing, system handover document, operation and maintenance procedure, system migration plan, Safe Systems of Work (SSOW), etc.
- Perform duties during adverse weather conditions and non-office hours, and any other duties including driving and ad hoc tasks assigned by supervisors as and when required

Requirements:

- Higher Diploma / Higher Certificate in Telecommunications, Electronics, Information Technology, Computer Engineering or equivalent plus a minimum of 2 years' relevant experience
- Or
- Ordinary Diploma / Ordinary Certificate in one of the above disciplines plus a minimum of 4 years' relevant experience
- Professional credentials in system administration, OT & security of OT systems. Microsoft certifications, CISSP, CISA, etc. would be an advantage

- Knowledge and experience in operating (1) OT systems and components e.g. Programmable Logic Controllers, Internet of Things, Industrial Controllers, Sensors, embedded systems network switches and routers; (2) cybersecurity domain including Firewall, Network Admission Control, IP Address Management, Vulnerability Management, etc. ; and/or (3) data analytics / management and SAP would be an advantage
- Construction Industry Safety Training Certificate, Authorized Person – Restricted Duties, and Safety Supervisor qualification or equivalent would be preferable
- A valid driving license class 1,2 would be an advantage
- Proficiency in MS Office Applications
- Ability to communicate technical concepts in English and Cantonese, verbally and in writing
- Be mindful and has good safety awareness
- Good team player and be flexible to work on ad-hoc tasks

This position is designated as a Major Risk Sensitive (MRS) Position. Employees successfully selected will be subject to pre-assignment and periodical Background Check. The Background Check, conducted by independent professional agency, will involve verifying or reviewing information obtained from private and public record resources on civil litigation, criminal record, bankruptcy, credit record, conflict of interest/directorship, media search, social media search, and other relevant checks items as consider appropriate.

Please apply by sending email to hrps@clp.com.hk giving a detailed C.V., including academic qualification, career history, major achievements (including safety) and personal attributes on or before **26 February 2021**. To facilitate our easy tracking, please use a unique file name for all attachments and your email subject box in this format: Ref. **TSD_TCB_OT_TOII_Last Name_First Name_Other**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <http://clp.to/engPICS>.
