

# Vacancy

**CLP Power Hong Kong Limited**  
**Power Systems Business Group**  
**Transmission Department / Civil Branch**  
**Engineer II (2-Year Contract)**  
**[Ref.: CLPP-PSBG-TD-Civil-CD-EII]**

*CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.*

*CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.*

*CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.*

We are looking for a high caliber professional to join our Civil Design Section of Civil Branch of Transmission Department. Reporting to an Engineer I, the appointee will be responsible for structural and civil engineering design, contract administration and project implementation. Major duties include:

- Support the structural team leader to review and prepare structural, civil, geotechnical design proposal for design and construction of transmission substation buildings, civil structures, civil modification work and slope upgrading work etc.
- Coordinate with the consultants and contractors on design, procurement and implementation of the project
- Conduct engineering study and prepare design proposal of projects
- Ensure that the civil and building projects are carried out in line with the requirements of health, safety, security, environmental, quality, cost, user requirements and statutory compliance from project inception (including feasibility study stage) to handover
- Closely liaise and collaborate with relevant government officials, external consultants, contractors etc., and internal departments to achieve the related development objectives

## Requirements:

- A recognized University degree in Civil Engineering / Structural Engineering or equivalent
- At least 3 years' relevant experience in local civil engineering and building industry
- Civil and structural engineering knowledge in design and construction for building projects is a must
- Familiar with the statutory requirements of Buildings Ordinance and Building (Construction) Regulations
- Good network with external parties including relevant government departments and consultants in civil and building works
- Being business-minded, performance-driven, customer and result-oriented
- Mindful and have good safety awareness
- Ability to work independently and meet tight deadline

- Good communication skills in both spoken and written Chinese and English

Candidate with less qualification and/or experience but demonstrates potential for further development will be considered for a position at lower grade.

Please apply by sending email to [hrps@clp.com.hk](mailto:hrps@clp.com.hk) giving a detailed C.V., including career history, major achievements and personal attributes, present and expected salary on or before **16 October 2021**.

**Important: To facilitate our easy tracking please use a unique file name for all attachments and your email subject box in this format: PSBG-TD-Civil-CD-EII\_Last Name\_First Name\_Other Names (if applicable)**

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <https://clp.to/engPICS>
