

Vacancy

CLP Power Hong Kong Limited
Power Systems Business Group
Transmission Department / Civil Branch
Engineer II (2-Year Contract)
[Ref.: CLPP-PSBG-TD-Civil-CD-QS-EII]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

We are looking for a high caliber professional to join our Civil Design Section of Civil Branch of Transmission Department. Reporting to Engineer I, the appointee will be responsible for quantity surveying, procurement, contract administration and project implementation. Major duties include:

- Assist in carrying out cost control and contract administration, preparing cost estimation and maintaining cost data bank, tendering and claims aspects
- Support project management, budget review and quantity measurement of transmission substation, building and civil projects from project inception (including feasibility study stage) to completion
- Coordinate with different teams within the department for the project delivery in the tight schedule
- Liaise and co-ordinate with external consultants, suppliers, contractors etc. and internal departments to achieve the project development objectives and contract requirements
- Support civil budget review, administration of outline agreement and relevant system for the department to meet the business need

Requirements:

- A recognized University degree in Quantity Surveying or equivalent
- At least 3 years' relevant experience in local civil engineering and building industry
- Professional qualification in Quantity Surveying is preferable
- Familiar with the industrial practice on procurement and contracting of building projects
- Good network with external parties including relevant government departments and consultants in civil and building works
- Being business-minded, performance-driven, customer and result-oriented
- Mindful and have good safety awareness

- Ability to work independently and meet tight deadline
- Good communication skills in both spoken and written Chinese and English

Please apply by sending email to hrps@clp.com.hk giving a detailed C.V., including career history, major achievements and personal attributes, present and expected salary on or before **3 December 2021**.

Important: To facilitate our easy tracking please use a unique file name for all attachments and your email subject box in this format: PSBG-TD-Civil-CD-QS-EII_Last Name_First Name_Other Names (if applicable)

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website:
