

Vacancy

CLP Power Hong Kong Limited

Power Systems Business Group

Technical Services Department / Telecommunications Branch

Engineer I (2-Year Contract)

[Ref: CLPP-PSBG-TSD-TB-EI]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

Applications are invited for the vacancies in the Telecommunications Branch of Technical Services Department in Power Systems Business Group. Reporting to respective team managers, the appointees will lead a team of engineers to support the growth and operations of the in-house Telecommunications Networks and Services of the Company.

Major Duties include:

- Manage the in-house communications networks covering the full spectrum of technologies including fibre optic, transmission & multiplexing, microwave, LAN/WAN, PABX, TETRA and other radio networks for power system operations
- Liaise and co-ordinate with various departments to deliver telecommunications services/projects to fulfil the customers' needs
- Team lead to monitor the restoration of telecommunications services upon user requests, equipment fault and system upgrade and migration
- Team lead to plan and perform network operation and maintenance works to achieve the KPI target of telecommunications system availability
- Plan and schedule routine maintenance, including cyber-security vulnerability scans and fixes, of aforementioned telecommunications systems and the auxiliary systems and facilities
- Ensure staff / contractors are fully complied with the Company's Health, Safety, Security, Environment and Quality (HSSEQ) requirements and drive for continuous improvement on safety
- Perform duties during typhoon periods, adverse weather conditions, and non-office hours as required

Requirements:

- A recognized university degree in Telecommunications or Electronic Engineering or equivalent
- A minimum of 5 years' experience in the planning & design, project management, installation & commissioning, operation & maintenance of telecommunications systems, with proven experience in leading teams for the provision and operation of telecommunications services
- MHKIE or equivalent would be an advantage
- Solid experiences in designing, maintaining and operating in large-scale Data Networking and PABX

- In-depth knowledge in TCP/IP Networking and Routing, LAN/WAN architecture, OSPF, BGP and MPLS
- Ability to work under pressure and be rational and decisive under all situations
- Ability to manage and mobilize resources in the most cost effective and efficient manner
- Mindful and possess good safety awareness
- Ability to communicate effectively with different levels, both internally and externally
- Good command of both written and spoken English and Chinese
- Good interpersonal, negotiation, managerial and leadership skills
- Holder of CCNP/CCIE or equivalent would be an advantage
- Valid driving license Class 1 would be an advantage

Please apply by sending email to hrps@clp.com.hk giving a detailed C.V., including academic qualification, career history, major achievements (including safety contributions & achievements), and personal attributes on or before **16 October 2021**. To facilitate our easy tracking, please use a unique file name for all attachments and your email subject box in this format: **TSD_TB_EI_Last Name_First Name_Other Names**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <http://clp.to/engPICS>.
