

# Vacancy

**CLP Power Hong Kong Limited**  
**Power Systems Business Group**  
**Technical Services Department / Security Branch**  
**Engineer (2-Year Contract)**  
**[Ref: CLPP-PSBG-TSD-SB-E]**

*CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.*

*CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.*

*CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.*

We are looking for high calibre staff to join the Security Systems Team of Security Branch in the Technical Services Department. Reporting to Senior Engineer, he/she will undertake project/maintenance works for access control and surveillance systems, such as access card readers/controller, CCTV, traffic barrier, intercom and intruder systems, etc. The appointee is required to perform the following major duties:

- Carry out security systems project scheduling, technical specification writing, tender evaluation, and engineering services
- Perform work acceptance testing and related duties
- Conduct related maintenance planning and strategy, scheduling and cost control
- Conduct systems performance analysis, fault diagnosis and investigation
- Liaise with user departments and relevant stakeholders
- Manage contractors and ensure their work are delivered in compliance with relevant specifications, procedures and standards
- Perform other duties directed by supervisor as and when required

## **Requirements:**

- A recognized university degree in Electronic Engineering / Building Services Engineering / Information Technology or equivalent
- At least 3-year relevant experience in security system industry or providing IT services. Previous experience in distributed CCTV, access control system installation / maintenance, or relevant system development would be an advantage
- Extensive experience in project management and contractor management
- A team player with good interpersonal skills and customer oriented
- Able to work under pressure and result-driven
- Good PC hardware and software skills on network management, data communication and data reporting
- Strong communication and leadership skills

- Good at vendor management, change management and relationship management
- Proactive and performance driven
- Mindful and possess good construction safety awareness and track record
- Proficient in both written and spoken English and Chinese; and
- Preferably in familiar with CLP Power safety rules, engineering standards and codes of practice
- Possession of Construction Industry Safety Training Certificate (Green Card);
- Possession of a valid driving license of Class 1 would be an advantage
- Holder of Security Personnel Permit (Cat D) of Cap 460 Security & Guarding Services Ordinance and system certificates is preferred

**Candidates with less qualification and/or experience but demonstrate good potential for further development will be considered for a position at lower grade.**

Please apply by sending email to [hrps@clp.com.hk](mailto:hrps@clp.com.hk) giving a detailed C.V., including academic qualification, career history, major achievements (including safety contributions & achievements), and personal attributes on or before **24 June 2022**. To facilitate our easy tracking, please use a unique file name for all attachments and your email subject box in this format: **TSD\_SB\_E\_Last Name\_First Name\_Other Names**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <http://clp.to/engPICS>.
