

# Vacancy

**CLP Power Hong Kong Limited**  
**Power Systems Business Group**  
**Technical Services Department / Metering Branch**  
**Engineer II (2-Year Contract)**  
**[Ref: CLPP-PSBG-TSD-MB-EII]**

*CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.*

*CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.*

*CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.*

Applications are invited for the above vacancy in Metering Branch of Technical Services Department. Reporting to Section Head, the appointee will be responsible for the following duties:

- Monitor the performance and compliance of meter data provision processes and compile regular reports
- Manage metering projects to ensure timely completion in compliance with the Company's guideline/ standards requirements and within budget
- Provide technical support on the development of technical specifications and guidelines for application of metering equipment and systems
- Monitor and evaluate the performance of the existing application systems and initiate improvements to meet changes in the business environment
- Design and conduct user acceptance tests for system upgrade and enhancement
- Deliver training to users to ensure technological equipment and related testing equipment are properly applied
- Perform any other duties assigned by supervisor as and when required

## **Requirements:**

- A recognized university degree in Electrical, Electronics, Telecommunication Engineering, Computer Engineering or equivalent
- At least three years' experience in project management, installation, testing, commissioning, maintenance and development of metering equipment or systems
- Positive safety attitude and good understanding of relevant statutory SHEQ requirements, engineering standards, codes of practice and procedures
- Good analytical mind, critical thinking and fast learning

- Ability to work under pressure with strong drive to complete projects
- Knowledge and experience in metering operations and SAP would be an asset
- Knowledge in Power BI / Power Automate / R / Python would be an advantage
- Good verbal and written communication skills
- Good team player and be flexible to work on ad-hoc tasks

Candidates with less qualification and/or experience but demonstrate good potential for further development will be considered for a position at lower grade.

Please apply by sending email to [hrps@clp.com.hk](mailto:hrps@clp.com.hk) giving a detailed C.V., including academic qualification, career history, current and expected salary, major achievements and personal attributes, on or before **18 January 2022**. To facilitate our easy tracking, please use a unique file name for all attachments and your email subject box in this format: **TSD\_MB\_EII\_Last Name\_First Name\_Other Names**.

Applicants not invited for interview within 6 weeks from the closing date may assume their applications unsuccessful.

Information provided will be for recruitment purpose within the CLP Group and only short-listed candidates will be contacted. We comply with all applicable laws and regulations of HKSAR in handling applications. For details of the Personal Information Collection Statement, please visit our website: <http://clp.to/engPICS>.
