

Vacancy

CLP Power Hong Kong Limited
Power Systems Business Group
East & West Region / Operations Branch
Senior Technical Officer (2-year Contract)
[Ref: CLPP-PSBG-WER-OB-STO]

CLP was founded in Hong Kong in 1901, at a time when electricity was still a novelty worldwide. Today we power millions of homes and businesses across the Asia Pacific regions. In Hong Kong, we operate a vertically-integrated electricity supply business providing a highly-reliable supply of electricity to 80% of the city's population. Outside Hong Kong, we invest in the energy sector in Mainland China, India, Southeast Asia, Taiwan and Australia. Our business includes power generation, transmission and distribution, and electricity and gas retail activities. Our goal is to meet Asia-Pacific's energy challenge in a sustainable manner from one generation to the next.

CLP is an Equal Opportunity Employer and is committed to providing a working environment free from discrimination or harassment. All applicants will be considered for employment on an equal basis regardless of gender, physical or mental state, race, nationality, religion, age, family status or sexual orientation.

CLP is also a certified Fair Wage Employer in recognition of the Company's exemplary wage policies and practices.

Applications are invited for the above vacancy in Operations Branch of East & West Region. Reporting to the Engineer I, the successful candidate will be responsible for the following duties:-

- Carry out maintenance, diagnosis and repair of Distribution Automation (DA) facilities (CRTU, LRTU & ORTU)
