

CLP Holdings Limited (the Company)

2024 Annual General Meeting (AGM) – Online AGM User Guide

The 2024 AGM of the Company will be held in a hybrid format. Shareholders can participate in the Online AGM from any location with access to the Internet by using their smartphone, tablet device or computer. Here are some tips and guides on joining our Online AGM.

Shareholders (registered and non-registered) joining the Online AGM will be able to view a live webcast of the AGM, pose questions and cast vote in near real-time through the online platform.

Regarding the login details for joining the Online AGM, registered Shareholders should refer to the Company's notification letter sent to you on 27 March 2024. For corporate holders and non-registered Shareholders who wish to attend the Online AGM, please call the Company's Registrars, Computershare Hong Kong Investor Services Limited on (852) 2862 8555 for assistance.

Some tips to note:

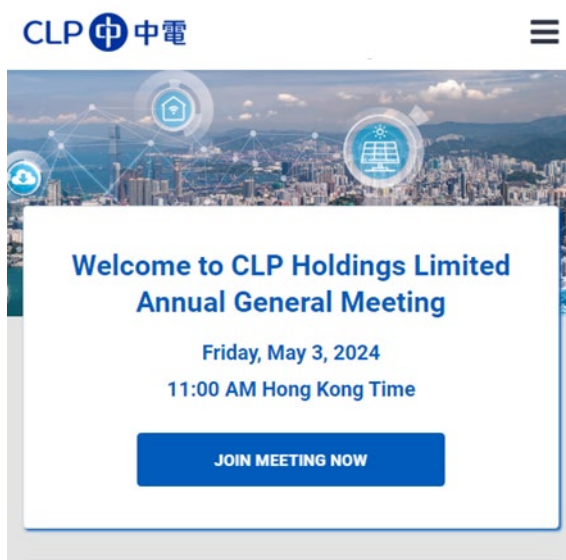

1. You will need a reliable Internet connection fast enough to support video streaming (for example, as if you are watching a YouTube video).
2. However, unlike YouTube, if your Internet connection is not fast enough to keep pace with the proceedings, parts of the Online AGM broadcast may be skipped. You will not receive the broadcast on a delayed basis.
3. If your Internet connection is inadequate or interrupted, your attendance at the Online AGM may be terminated and you will be unable to vote or pose questions. This will not affect the AGM proceedings which will continue and will remain effective.
4. If your Internet connection is restored, you should be able to rejoin the Online AGM but missed parts would not be repeated (such as voting).

As the Online AGM is technology dependent and the above are some of the possible risks with the Online AGM, should you find these unacceptable, you can proxy your voting instructions or join our Physical AGM.

If you experience technical difficulties or require assistance on the AGM date, please call our Registrar's AGM hotline on (852) 2862 8689. Kindly note that the hotline cannot record your vote(s) over the telephone.

(Shareholders can login to the Online AGM platform from 10:00 a.m. (HKT) on Friday, 3 May 2024)
