CLP Brings Seasonal Cheer to 180 Elderly Guests at Mid-Autumn Festival Luncheon

CLP Power Hong Kong Limited (CLP Power) and Caritas-Hong Kong today jointly hosted a Sharing the Festive Joy community luncheon, bringing Mid-Autumn festival cheer into the lives of 180 elderly guests from North District and remote villages.

At the colourful event, CLP Power Managing Director Mr Paul Poon along with the Chief Executive of Caritas-Hong Kong Rev Joseph Yim, CLP management and volunteer team enjoy a tasty lunch with elderly guests, who were entertained with a range of seasonal entertainment. The officiating guests tackled lantern riddles with a CLP volunteer and an elderly guest and then hung Chinese lanterns to symbolise seasonal blessings for the senior citizens at the lunch.

In his opening remarks, Mr Poon said, “Together with our community partners, CLP has invited more than 1,400 elderly people to celebrate festivals with us since the launch of this meaningful programme last year. We are delighted at the way in which these gatherings help elderly people stay active in the community and expand their social horizons.”

CLP Power has taken part in a wide range of community projects over the years, identifying social needs and initiating variety of tailor-made community programmes to bring warmth and care to people in need. As well as the Sharing the Festive Joy programme, CLP recently launched an Elderly Yum Cha programme, distributing 120,000 breakfast coupons to around 30,000 elderly people to allow them to claim free dim sum breakfasts in more than 160 restaurants. Another community programme, Power Your Love, is a world-first initiative encouraging customers to save energy and contribute to the well-being of society by transferring units of electricity saved to help people in need, including single elderly people.

About CLP Power Hong Kong Limited

CLP Power Hong Kong Limited (“CLP Power”) is a Hong Kong utility subsidiary wholly owned by CLP Holdings Limited, a company listed on the Hong Kong Stock Exchange and one of the largest investor-owned power businesses in Asia. CLP Power operates a vertically integrated electricity supply business in Hong Kong, and provides a highly reliable supply of electricity and excellent customer service to 5.8 million people in its supply area.
