CLP Power Delivers Festive Cheer and Green Tips to 200 Elderly Guests

CLP Power Hong Kong Limited (CLP Power) today held a Tuen Ng festival celebration for 200 elderly people from the Tuen Mun district as part of its Sharing the Festive Joy programme. The event was jointly hosted by Yan Oi Tong and aimed to encourage care and respect for senior citizens.

As well as a tasty meal, guests were treated to singing and juggling performances at the celebration attended by CLP Power Managing Director Mr Paul Poon, Under Secretary for Home Affairs Ms Florence Hui, Chairman of Tuen Mun District Council Mr Leung Kin Man, and Chairperson of Yan Oi Tong Dr Tang Kam Hung, along with CLP Power management and volunteers. Experienced dragon boat paddler Mr Poon led the hosts in paddling a special dragon boat made of 800 twisted balloons to celebrate the festival, while volunteers handed out pamphlets and shared energy saving tips with elderly guests to promote the smarter use of electricity at home.

In his welcoming remarks, Mr Poon said: “CLP Power and its volunteers together with a variety of community partners have invited some 1,800 elderly people to celebrate festivals and share energy saving tips through our Sharing the Festive Joy programme since 2014. Our volunteers and I are delighted to see the smiling faces of our elderly guests and to help with this meaningful cause.”

Mr Poon said he sincerely hoped the gatherings would bring warmth and care to the elderly, as well as promoting a greater community spirit and generating positive energy for Hong Kong society.

Ms Hui appreciated CLP Power’s Sharing the Festive Joy programme for its care to senior citizens. “Today’s event complements Government’s Opportunities for the Elderly Project launched this year, to encourage elderly people to participate more in community activities and expand their social network. I am delighted that I am here at the luncheon to celebrate Tuen Ng Festival with elders and share our warmth and care for them together.”

Working with a variety of community partners, CLP Power has hosted community luncheons for some 1,800 elderly people to celebrate festivals with its volunteers since 2014. As well as its Sharing the Festive Joy programme, CLP Power has a number of other ongoing community initiatives to support people in need. The Elderly Yum Cha programme has seen 80,000 breakfast coupons distributed to 40,000 elderly people to allow them to enjoy free dim sum breakfasts in more than 170 participating restaurants. Power Your Love, meanwhile, is a world-first initiative

encouraging customers to save energy and contribute to the well-being of society by transferring units of electricity saved to help people in need, including single elderly people and elderly couples.
