## CLP Power Implements Mitigation Measures against Typhoon

In view of the approaching Typhoon Nida, CLP Power Hong Kong Limited (CLP Power) will closely monitor and assess the potential impact on its power systems. Necessary actions will be taken to safeguard the reliable supply.

CLP Power endeavors to maintain the safe operations of the power systems and mitigate the impact it might have on electricity supply. Yet adverse weather might still lead to voltage dips, unstable supply or even power interruptions which may cause inconvenience to customers. The company regrets for any inconvenience this may cause and requests for customers' understanding.

In case any member of the public sees any overhead lines or electric poles falling, please immediately call the CLP Power's 24-hour emergency hotline at 2728 8333. The public are reminded not to touch or try to remove fallen electrical equipment as they may still carry electricity.

In the event of power interruptions, please call CLP Power's 24-hour emergency hotline at 2728 8333.

In case of widespread power outage, CLP Power will give priority of power restoration for those customers with life-supporting equipment and key public-serving organisations, such as hospitals, railways, airports, broadcasting and telecommunications agencies.
