CLP Power Brings Multicultural Flavour to Senior Citizens Day Celebration for 200 Guests

CLP Power Hong Kong Limited (CLP Power) today celebrated Senior Citizens Day with 200 elderly guests from the Yau Tsim Mong, Kowloon City, and Kwun Tong districts at a Sharing the Festive Joy community luncheon. The colourful themed event, jointly hosted by the Tung Wah Group of Hospitals, gave guests the opportunity to experience the culture and customs of different countries.

CLP Power Managing Director Mr Chiang Tung Keung, Under Secretary for Labour and Welfare of the Government of the HKSAR Mr Caspar Tsui, Tung Wah Group of Hospitals Chief Executive Mr Albert Su, CLP Power Chief Corporate Development Officer Ms Quince Chong, and CLP management along with some 40 CLP volunteers joined elderly guests for a delicious lunch followed by singing and dancing performances.

The officiating guests brought a multicultural flavour to the luncheon by dressing in costumes from different countries, while CLP volunteers delivered energy saving tips to promote the smarter use of electricity at home.

Mr Chiang said: “CLP Power is dedicated to community service and has always attached great importance to the needs of elderly people. We want to provide neighbourhood support and establish a social safety net for them. Through the Sharing the Festive Joy programme, we encourage our volunteers to care about senior citizens and promote intergenerational communication.”

Mr Tsui appreciated CLP Power’s community programmes and volunteer services for the elderly. He said, “The government has invested considerable resources in elderly services and put in place policies and measures for the aged, encouraging them to participate actively in the community activities. Today’s luncheon not only enables the elderly to go out from their neighbourhoods, visit Kai Tak Cruise Terminal and make new friends, but also creates an age-friendly environment for them.”

CLP Power has launched a wide range of community projects in recent years, identifying social needs and devising tailor-made community programmes to support underprivileged people. The Sharing the Festive Joy programme was launched in 2014 and CLP Power has teamed up with community partners to celebrate festivals with a total of more than 3,000 senior citizens. This year's programme is an accredited event celebrating the 20th anniversary of the establishment of the Hong Kong Special Administrative Region.
