CLP e-Sports Academy Promotes Smart Gaming Experience at e-Sports & Music Festival Hong Kong

To promote e-sports and smart gaming, CLP Power Hong Kong Limited (CLP Power) sets up the CLP x e-Sports Academy at the three-day Hong Kong e-Sports & Music Festival, which began today (24 August) at the Hong Kong Convention and Exhibition Centre. At the Academy, visitors can meet industry practitioners and learn more about the e-sports industry, and to exchange gaming experiences with pro-players.

Visitors can also find some of the latest energy-efficient computer accessories on display, including Power Supply Unit with 80 PLUS certification and wireless mouse with automatic power charging function. Furthermore, visitors can experience the use of smart home devices such as responsive LED lighting that can enhance their enjoyment of e-sports.

About CLP Power Hong Kong Limited

CLP Power Hong Kong Limited ("CLP Power") is the Hong Kong utility subsidiary wholly owned by CLP Holdings Limited, a company listed on the Hong Kong Stock Exchange and one of the largest investor-owned power businesses in Asia. CLP Power operates a vertically integrated electricity supply business in Hong Kong, and provides a highly reliable supply of electricity and excellent customer services to 6 million people in its supply area.
