## CLP Power Offers Home Services Rewards Provided by Social Enterprises to Energy Saving Customers

The **Eco Rewards Scheme** of CLP Power Hong Kong Limited (CLP Power) is partnering with Lok Kwan Social Service and Employees Retraining Board (ERB) to offer new home services discount rewards to customers, hoping to support social enterprise to create more job opportunities.

The **Eco Rewards Scheme** allows customers to redeem rewards with Eco Points earned by saving energy. Customers can logon to the home energy assessment platform **Eco Power 360** ([www.clp.com.hk/ep360](http://www.clp.com.hk/ep360)) to view their home energy consumption and compare it to the energy use of similar households to learn their saving achievement. More Eco Points can be earned with lower energy consumption.

From now until 31 October 2019, CLP Power customers can use 200 Eco Points to get \$500 discount off the relocation services of Home Easy of Lok Kwan Social Service valued at HK\$3,000. In addition, customers who employ domestic helpers through the **Smart Living Scheme** of ERB can use 200 Eco Points to redeem a one-off employees' compensation insurance amounted at HK\$25 until 30 April 2019. Details of redemption can be found on the online platform of the **Eco Rewards Scheme** (<https://store.clp.com.hk/en/cid3/eco-rewards/home>).

Since its launch in 2016, the **Eco Rewards Scheme** has provided more variety of rewards ranging from energy efficient appliances, trendy products, dining coupons, cooking classes using electric kitchens at CLP shops, to upcoming wet market product coupons. Special activities are offered during festivals such as Christmas and Chinese New Year to encourage customers to save more energy at home and adopt low-carbon lifestyles. With this extension of partnership to social enterprises, CLP Power hopes to enable customers to use Eco Points to support social enterprises as well, thereby creating a more caring and supportive society.

### **About CLP Power Hong Kong Limited**

CLP Power Hong Kong Limited ("CLP Power") is the Hong Kong utility subsidiary wholly owned by CLP Holdings Limited, a company listed on the Hong Kong Stock Exchange and one of the largest investor-owned power businesses in Asia.
