## **CLP Joins Hand with Tai Kwun to Present “InnerGlow” A 3D-mapped Projection to Celebrate Hong Kong’s Heritage and CLP’s History**

CLP Holdings Limited (CLP) is delighted to announce its support as the Principal Sponsor of “InnerGlow”, an immersive, 3D-mapped projection organised by Tai Kwun – Centre for Heritage and Arts (Tai Kwun). The two-week long visual spectacle aims to promote Hong Kong’s heritage, arts and culture, and is a special event to mark CLP’s deep-rooted history of 120 years in the territory.

As a staunch supporter of the development of arts and appreciation of history, CLP is collaborating with Tai Kwun for the first time to celebrate both CLP’s 120 years of history and the Tai Kwun site’s 180 years of heritage.

The 3D-mapped projection, to take place between 27 January and 6 February 2022 at Tai Kwun, is an international collaboration project that brings to Hong Kong the world-class expertise of The Electric Canvas, which is the production company of the much-acclaimed Vivid Sydney. The free-of-charge programme will comprise a 12-minute visual spectacle repeated 5 to 6 times each night during the two-week season, featuring digital projection, animation and moving image specially designed for Hong Kong. The project also provides a valuable platform for local students to gain hands-on experience by working alongside international professional artists.

“At CLP, light means a lot to us as that is the heart of our business. We are excited to have the opportunity to work with Tai Kwun and the young people of Hong Kong to celebrate the rich heritage of both Hong Kong and CLP, and to bring this spectacular visual experience to our city. We hope it will be a source of delight and inspiration to the community,” said Richard Lancaster, Chief Executive Officer of CLP Holdings Limited. “As we celebrate our 120th anniversary this year, CLP is committed to continue powering the Hong Kong community with light, life and positive energy.”
