CLP Cable Bridge Fire Incident in Yuen Long on 21 June 2022

At around 7:10 pm on 21 June, a CLP cable bridge located near The Spectra, Wang Lok Street in Yuen Long caught fire, affecting power supply to around 160,000 customers in Yuen Long, Tin Shui Wai and Tuen Mun. There were no injuries in the incident. We apologise for any inconvenience caused to the affected customers.

The three 132kV high-voltage cables installed in the cable bridge providing power supply to Yuen Long, Tin Shui Wai and Tuen Mun areas were damaged in the incident. After arranging emergency power supply, we have restored power supply to essential services including hospitals and railways. Power supply to around 140,000 customers has also been restored.

Our engineering teams are carrying out urgent repair work onsite. The repair work is estimated to take approximately two days to complete in order to restore power supply to the remaining 20,000 affected customers who are mainly located in Tin Shui Wai including Tin Ching Estate, Tin Fu Court, Tin Yuet Estate and Tin Chak Estate. We have already liaised with relevant government departments to provide support for customers in need.

We apologise again for the inconvenience caused to the affected customers and would also like to thank relevant government departments including Fire Services Department, the Police and Home Affairs Department for their support.

Customers can call our dedicated hotline 2728 8333 or contact us through the eForm on our website for assistance.
