**CLP Sponsors 15th National Games, 12th National Games for Persons with Disabilities, 9th National Special Olympic Games (Hong Kong) to Pledge Full Support for Hong Kong Hosting National Mega Sports Event**

Guangdong, Hong Kong and Macau will co-host the 15th National Games (NG), the 12th National Games for Persons with Disabilities (NGD), and the 9th National Special Olympic Games (NSOG) in November and December respectively this year. As one of the largest power businesses in Asia Pacific serving Hong Kong for more than 120 years, the CLP Group (CLP) announced today (2 August) that it will fully support and sponsor the Games in Hong Kong, demonstrating its commitment to this national mega event and its support for the HKSAR Government in promoting sports development in both the Greater Bay Area (GBA) and Hong Kong.

CLP will support the 15th NG, the 12th NGD, and the 9th NSOG through the purchase of its Renewable Energy Certificates (RECs), enabling the use of zero-carbon electricity across all competition and operation venues in Hong Kong, such as the main media centre, traffic coordination and command centre, and ticketing centres. This initiative aligns with the idea of sustainability and underscores CLP's commitment to environmental stewardship and corporate responsibility.

During the events, CLP will provide Battery Energy Storage System (BESS) units at the main media centre and the venue of the beach volleyball event to support on-site electric vehicle charging. In addition, power banks will be offered to all athletes, technical officials and media personnel to enable portable charging anytime, anywhere.

To enable more grass-roots families and underprivileged groups to experience the excitement of the events, CLP will sponsor tickets along with goody bags for the needy. This initiative reflects CLP's commitment to community care and promotes community-wide participation in this national sports event. CLP's volunteers will also take part in various roles during the Games to actively contribute to this national sports event.

CLP Holdings Chief Executive Officer Mr T.K. Chiang said, “CLP has grown with the Hong Kong community while supporting its development along the way. We are honoured to demonstrate our support for this national mega sports event. We believe that the 15th NG, the 12th NGD and the 9th NSOG, co-hosted by Guangdong, Hong Kong and Macao for the first time, will further enhance the integrated development among GBA cities, marking a new chapter in sports development for Hong Kong and even the whole GBA.”

Today, the “100-day countdown event for the 15th NG, the 12th NGD and the 9th NSOG (Hong Kong)” was organised by the National Games Coordination Office (Hong Kong) at the Hong Kong Velodrome to mark this special occasion.

Attending the event ceremony, CLP Power Managing Director Mr Joseph Law said, “CLP Power will offer not only sponsorship, but also its power expertise through reviewing the power supply arrangements at event venues under CLP, providing power quality testing and enhancement solutions, planning for grid reinforcement, maintenance and related engineering works, as well as conducting and participating in various emergency drills. These initiatives aim to ensure that the power systems and equipment at the competition venues under CLP are in optimal condition, further enhancing power supply reliability.”
