CLP Power Fully Supports the Legislative Council General Election

The Chief Executive the Honourable John KC Lee and the Chairman of the Electoral Affairs Commission, Mr Justice David Lok, officiated at the 2025 Legislative Council General Election (LCGE) kick-off ceremony today (23 October), marking the commencement of the eighth LCGE. CLP Power Hong Kong Limited (CLP Power) fully supports the LCGE and will facilitate the Government's promotional efforts. With the active participation of patriotic and competent individuals who are committed to serving the community, CLP Power believes that the new-term Legislative Council will continue to act in the interests of Hong Kong, align with national development strategies, and drive economic growth and improve people's livelihood.

Rooted in Hong Kong for nearly 125 years, CLP Power has been contributing to social and economic development through its power expertise and the provision of safe and reliable electricity services, while fulfilling its corporate social responsibilities. The eighth LCGE marks the second LCGE being held after improving the electoral system in the Hong Kong Special Administrative Region. It is of the utmost importance to accelerating the development of Hong Kong's economy and improving people's livelihood.

CLP Power supports individuals who are committed to serving the community in standing for election and actively encourages colleagues and their family members to cast their votes on the polling day (7 December). To facilitate participation, CLP will put in place convenient voting arrangements and flexible work schedules, enabling colleagues to exercise their civic rights and duties in electing capable and dedicated legislators who will continue to serve Hong Kong and contribute to the country.

About CLP Power Hong Kong Limited

CLP Power Hong Kong Limited (CLP Power) is the Hong Kong utility subsidiary wholly owned by CLP Holdings Limited, a company listed on the Hong Kong Stock Exchange and one of the largest investor-owned power businesses in Asia.
